The Preschool – Grade 8 tuition rates below are stated in monthly terms, however families are also allowed to make quarterly, semiannual or annual payments. These payments may be by check, automatic withdrawal or credit card and, except for annual payments, are made to an independent company called SMART Tuition. If the full year’s tuition is paid by July 10th, we will subtract the \$45.00 “SMART” fee from your registration fee. Each payment is due on the date you choose when you fill out a SMART Tuition Management Services form.

If you are on the 12-month plan the first tuition payment is due in MAY 2015. If you are on the 10-month plan the first tuition payment is due in JULY 2015. All tuition payment plans must be paid in full by April 25, 2016.
