Frequently Asked Questions about School Day, Vacation and Holiday Childcare and Lunches

1. The hourly rate charged is based on how many children you have in child care on a particular day, not on how many children you have enrolled in the school. (Account charges are made by the half-hour of service; rounding up to next half hour as determined by check-in and check-out records for each child.)
2. Childcare begins on the first day of school. Care is provided for children enrolled in our school on all days when school is in session and on selected school holidays. (Hourly rates are different for “holiday” childcare.)
3. Breakfast is not provided. However children may bring a light breakfast and eat it during morning childcare. No “fast food,” please.
4. **Preschool and Prekindergarten afternoon childcare requirement:** A special, washable resting mat must be purchased from BRLS.
5. **Hot Lunch** is available and will be billed for the following month on the 15th day of the preceding month and must be paid within 10 days. The cost for each month depends upon the number of school days in that month. There are no refunds/credits if a child is absent or if a lunch is sent from home on any day.
6. Childcare includes organized activities, free play and nutritious snacks. For Preschool and Prekindergarten students afternoon care will include a rest period.
7. **Late pickup charge:** \$1.00 for each minute until a child is picked up after 6:00 p.m.
8. A statement that will include any childcare charges will be e-mailed to your family on the first day of each month. (A printed statement will be provided to families without e-mail addresses.) Childcare bills are due within 10 days. Payment is considered late 10 days after the first day of the month. (A late-payment fee will be charged.) Any family not keeping their child care bill paid up-to-date will not be allowed to continue to use this service until the bill is paid in full.
